

NATD North-Midlands Online Theatrical Dance Competition

WOULD YOU LIKE TO TAKE PART?

If so, contact Claire via WhatsApp or email to confirm your entry or entries by Sunday 14th March.

Claire will receive a link for you to enter on Sunday 14th February. She will distribute the links to the students and their parents who will then need to complete a Google registration form. Registration will be open until Sunday 14th March.

Students / parents will receive a confirmation email from NATD with further details of how they can pay the entrance fee to the NATD, and how to submit their videos to the NATD once they have been checked by their teacher.

The categories for entrance and maximum length of video are given in the table on the next page.

Rules

- Dance school name/logo not to be shown anywhere on clothing or in videos.
- Videos not to be edited together (one take).
- Videos only in landscape.
- Costumes are allowed, but as in current examination circumstances, will not add any marks to the final result.
- Competitors may only submit **one dance per category**. The cost of each submission is **£5.00**, so if a dancer wished to enter Ballet and Tap, for example, the cost would be £10 total.
- Dance Teacher must view the video before submission with an awareness of health and safety.
- Video to be uploaded to NATD Area link on WeTransfer between **15th February 2021** and **15th March 2021** inclusive. Late entries will not be accepted.
- It is permitted that the same routine can be performed by more than one candidate (perhaps something they have learnt in class).
- A candidate may enter a piece of their own choreography for any genre. They may also enter this piece into the choreography section if they are within the age limits.
- All dances must be solos.
- Please can the dancer say his/her name and age at the start of the video.
- Please only enter videos filmed in 2021 as this is a lockdown project, designed to engage dancers at this time.
- Good Luck!
